Utah State Capitol Bldg.
Salt Lake City, Utah

Dear Mr. Norseth:

We are wondering what the procedures are that our company would need to take in order to have the distribution of the Boulder water placed under the supervision of a water commissioner..

Do you have a commissioner over the water in Escalante or in Wayne County who might be available here.

Also would you suggest that we contact your office or the one at Cedar City concerning this matter?

Yours very truly,

Boulder Irrigation & Water Development Co.

Franklin C. Hansen
